## Glitter Bits ~ Diamond Router Bits

**Grinds Hard Brick Mortar Joints - Concrete with Heavy Aggregate, Even Granite - - -**

**DURABLE:** Grinds across metal brick ties embedded in the wall, without breaking the bit.

Simple, Easy to Use . . . Fast, Precise, Detailed Control . . .

Completes the 90° mortar cut-out around bricks.

Finishes the cut where a diamond blade can't:  
- Inside wall corners, both horizontal & vertical  
- Window & Door Brick Returns

Excellent for recessed mortar joints on stone walls, intricate or historical cut-out projects.

**GRINDS IN TIGHT AREAS**

1000 Percent Less Dust than a diamond blade & angle grinder.

Exposed diamonds actually **Glitter . . .**

**With Dust Control**

Cuts Out Individual Bricks

## Cuts Out a Single Brick - Within 6 minutes on Hard S-mortar - Without the Dust!

GB14350 \$ 80.00  
1/4" shk x 5/16" dia x 3.5" OAL

GB18275 \$ 75.00  
1/8" shk x 3/16" dia x 2-3/4" OAL

GB14550 \$ 110.00  
1/4" shk x 5/16" dia x 4-5/8" OAL
